

**May 20, 2004**

**Due to vandalism of the Entry Gate, the pool hours will be limited to those times that a Pool Monitor is present.**

**These hours until May 29, 2004 (when CISD begins summer break):**

<b>Monday – Friday</b>	<b>4 pm – 7 pm</b>
<b>Saturday</b>	<b>12 pm – 8 pm</b>
<b>Sunday</b>	<b>1 pm – 7 pm</b>

**These normal summer hours are in effect afterward:**

<b>Monday – Saturday</b>	<b>11 am – 10 pm</b>
<b>Sunday</b>	<b>1 pm – 10 pm</b>

**We realize this is highly inconvenient. Our H.O.A. has been in contact with the Pool Gate Manufacturer regarding a new system (that is more durable) as well as the City of Fort Worth regarding the different systems allowed by City Code (to consider replacement instead of repair). Please know that we are working on this resolution in the most timely manner possible and your understanding is appreciated.**
